[ ] I finished this question.

Excite Health 2: Finish a lunch

Look and choose

Health: D2.2

Lunch already has fruit and vegetables. Tick ONE whole-grain food and ONE protein food.

[ ] Whole Grain Bread

[ ] Brown Rice

[ ] Egg

[ ] Kidney Beans

[ ] Apple

[ ] I finished this question.

Excite Health 3: Brush morning and night

Health: D2.4

It is bedtime. You brushed this morning. What should you do now? Tick one.

[ ] Brush again with fluoride toothpaste.

[ ] Only rinse my mouth.

[ ] Skip brushing because I did it this morning.

[ ] I finished this question.

Excite Health 4: Water with a snack

Look and choose

Health: D2.4

You feel thirsty after playing. Which everyday drink has no added sugar? Tick water.

[ ] Sweetened juice drink.

[ ] Water.

[ ] Soda.

[ ] I finished this question.

Excite Health 5: Cut a snack safely

Keep hands clean

Health: D1.1

You want cucumber slices. Who should use the sharp kitchen knife? Tick one.

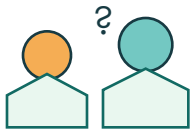

[ ] Use the sharp knife on my own.

[ ] Ask a grown-up to cut the cucumber.

[ ] Run while carrying the knife.

[ ] I finished this question.

Excite Health 6: Check food allergies

Think about the story

Health: D1.2

A friend has a food allergy. You do not know what is in a snack. What should you do? Tick one.

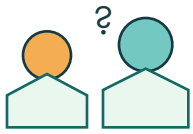

[ ] Eat it without checking.

[ ] Guess that a little bit must be safe.

[ ] Ask a trusted grown-up to check and find a safe choice.

[ ] I finished this question.

Excite Health 7: Listen to “no”

Think about the story

Health: D2.3

You ask your friend for a hug. Your friend says, “No, thanks.” What should you do? Tick one.

[ ] Keep asking until they say yes.

[ ] Hug them anyway.

[ ] Respect the answer and give them space.

[ ] I finished this question.

Excite Health 8: A worried tummy

Notice your feelings

Health: D1.6, D2.5

You are waiting for your turn to speak. Your tummy feels fluttery. What could help? Tick two.

[ ] Pretend nobody is allowed to feel worried.

[ ] Take a slow breath.

[ ] Tell a trusted grown-up how I feel.

[ ] I finished this question.

Excite Health 9: Different lunches

Look and choose

Health: D3.1, D2.2

Your friend brings rice and beans. You bring a sandwich. What is a kind thing to say? Tick one.

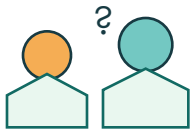

[ ] Families enjoy different foods. Both lunches are welcome.

[ ] Everyone must bring my lunch.

[ ] A lunch I do not know is wrong.

[ ] I finished this question.

Excite Health 10: Check before clicking

Think about the story

Health: D1.1

A game has a button asking for your name and address. What should you do? Tick one.

[ ] Stop and ask my grown-up.

[ ] Send my information to someone I do not know.

[ ] Type my address into the game.

[ ] I finished this question.

Health Centre 1

Excite - Day 2

10 Health questions

Name: _____ Date: _____

This day has its own work. Start here whenever you are ready. Save your online answers when you finish. Your teacher assesses this day separately.

Excite Health 1: Make a lunch plate

Build a food plate

Health: D2.1, D2.2

Make a plate you like. Pick foods from the pictures below. Write one or two fruit-and-veg card letters in the big half. Write one whole-grain letter and one protein letter in the two quarters. You can make a different plate next time!

A - Pear

B - Cucumber

C - Whole grain bread

D - Egg

E - Blueberries

F - Tomato

G - Apple

H - Orange

[ ] I finished this question.

Inspire Health 2: What happened to these foods?

Read the food clues

Health: D1.1

Read the clues on the cards. Little changed: washed, frozen or pasteurized. Processed: basic ingredients added, such as salt. Ultra-processed: factory recipes with ingredients such as added colours and flavours. Write each card letter in its group.

A - orange

B - frozen vegetables

D - canned beans

H - instant noodles

Clues: A - fresh, washed fruit; B - vegetables only, frozen; D - beans, water and salt; H - noodles with a seasoning mix and flavour enhancers

Little changed	Card letters: _____
Processed: basic ingredients added	Card letters: _____
Ultra-processed: factory recipes	Card letters: _____

Choose a useful effect of processing.

[ ] Every packaged food is ultra-processed.

[ ] Freezing vegetables can help them keep.

[ ] I finished this question.

Inspire Health 3: Clean every side

Health: D2.1

You are brushing your teeth. Which parts need gentle brushing? Tick one.

[ ] Only one tooth.

[ ] The front, back and chewing sides of my teeth.

[ ] Only the teeth I can see when I smile.

[ ] I finished this question.

Inspire Health 4: Pack a water bottle

Look and choose

Health: D2.1

You are going to the park. Which drink would you put in your water bottle? Tick one.

[ ] Soda.

[ ] Water.

[ ] Sweetened juice drink.

[ ] I finished this question.

Inspire Health 5: Stay with your group

Stay safe

Health: D2.2

Your class is at a park. You want to see something farther away. What should you do first? Tick one.

[ ] Leave without telling anyone.

[ ] Ask the grown-up and stay with my group.

[ ] Follow a person I do not know.

[ ] I finished this question.

Inspire Health 6: After a head bump

Stay safe

Health: D1.2

After a fall, your friend says, “I do not feel right.” What should you do? Tick one.

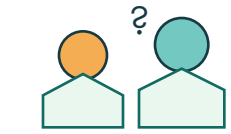

[ ] Wait until the game is over before saying anything.

[ ] Keep playing and keep it a secret.

[ ] Stop playing and tell a trusted grown-up right away.

[ ] I finished this question.
