Excite Work Bench F

30 counting-on adventures · Grade 2

Keep the big starting number in mind. Touch each new picture and say the next number. The last number you say is the total. A grown-up can read with you.

Name: _____

Online, tap the pictures in order and choose one of five answers. On paper, point to each picture, write the next count in its box, and circle your total.

1. Count on with toy cars

Excite Work Bench F

There are 15 toy cars on the shelf. We add the 2 toy cars shown below. Start at 15. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 15. Count on one for each new picture to add 2. The last number you say is the total for 15 + 2.

15 + 2 = ?

15

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 16	( ) 17	( ) 18	( ) 27	( ) 7

[ ] I finished this question.

2. Count on with books

Excite Work Bench F

There are 12 books in our library. We add the 3 books shown below. Start at 12. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 12. Count on one for each new picture to add 3. The last number you say is the total for 12 + 3.

12 + 3 = ?

Start here

12

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 15	( ) 16	( ) 25	( ) 5	( ) 14

[ ] I finished this question.

3. Count on with stickers

Excite Work Bench F

There are 10 stickers in our collection. We add the 8 stickers shown below. Start at 10. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 10. Count on one for each new picture to add 8. The last number you say is the total for 10 + 8.

10 + 8 = ?

Start here

10

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 19	( ) 28	( ) 8	( ) 17	( ) 18

[ ] I finished this question.

4. Count on with blocks

Excite Work Bench F

There are 7 blocks in the tub. We add the 4 blocks shown below. Start at 7. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 7. Count on one for each new picture to add 4. The last number you say is the total for 7 + 4.

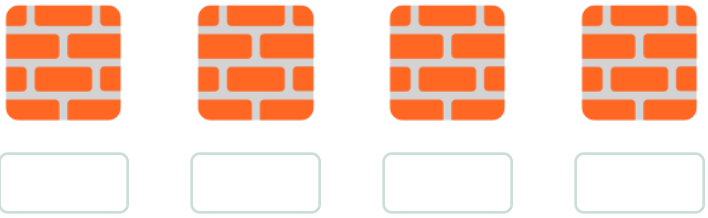

7 + 4 = ?

Start here

7

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 21	( ) 1	( ) 10	( ) 11	( ) 12

[ ] I finished this question.

5. Count on with pencils

Excite Work Bench F

There are 11 pencils in the box. We add the 3 pencils shown below. Start at 11. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 11. Count on one for each new picture to add 3. The last number you say is the total for 11 + 3.

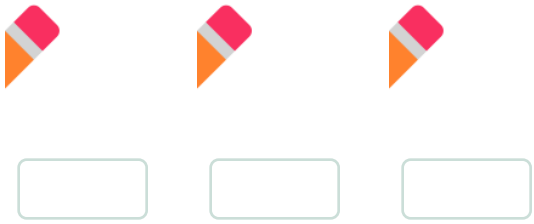

11 + 3 = ?

Start here

11

Already counted

\+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 4	( ) 13	( ) 14	( ) 15	( ) 24

[ ] I finished this question.

6. Count on with shells

Excite Work Bench F

There are 9 shells in our collection. We add the 5 shells shown below. Start at 9. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 9. Count on one for each new picture to add 5. The last number you say is the total for 9 + 5.

9 + 5 = ?

Start here

9

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 13	( ) 14	( ) 15	( ) 24	( ) 4

[ ] I finished this question.

7. Count on with flowers

Excite Work Bench F

There are 14 flowers in our garden. We add the 4 flowers shown below. Start at 14. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 14. Count on one for each new picture to add 4. The last number you say is the total for 14 + 4.

14 + 4 = ?

Start here

14

Already counted

[ ] I finished this question.

11. Count on with toy cars

Excite Work Bench F

There are 24 toy cars on the shelf. We add the 3 toy cars shown below. Start at 24. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 24. Count on one for each new picture to add 3. The last number you say is the total for 24 + 3.

24 + 3 = ?

Start here

24

Already counted

\+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 26	( ) 27	( ) 28	( ) 37	( ) 17

[ ] I finished this question.

12. Count on with books

Excite Work Bench F

There are 28 books in our library. We add the 5 books shown below. Start at 28. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 28. Count on one for each new picture to add 5. The last number you say is the total for 28 + 5.

28 + 5 = ?

Start here

28

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 33	( ) 34	( ) 43	( ) 23	( ) 32

[ ] I finished this question.

13. Count on with stickers

Excite Work Bench F

There are 32 stickers in our collection. We add the 4 stickers shown below. Start at 32. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 32. Count on one for each new picture to add 4. The last number you say is the total for 32 + 4.

32 + 4 = ?

Start here

32

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 37	( ) 46	( ) 26	( ) 35	( ) 36

[ ] I finished this question.

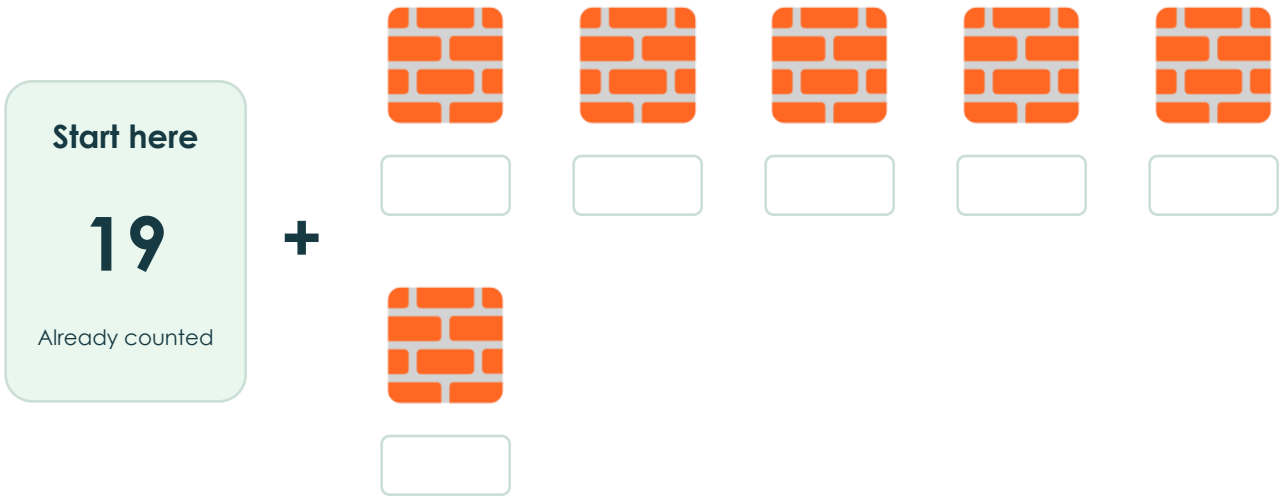

14. Count on with blocks

Excite Work Bench F

There are 19 blocks in the tub. We add the 6 blocks shown below. Start at 19. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 19. Count on one for each new picture to add 6. The last number you say is the total for 19 + 6.

19 + 6 = ?

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 35	( ) 15	( ) 24	( ) 25	( ) 26

[ ] I finished this question.

15. Count on with pencils

Excite Work Bench F

There are 35 pencils in the box. We add the 5 pencils shown below. Start at 35. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 35. Count on one for each new picture to add 5. The last number you say is the total for 35 + 5.

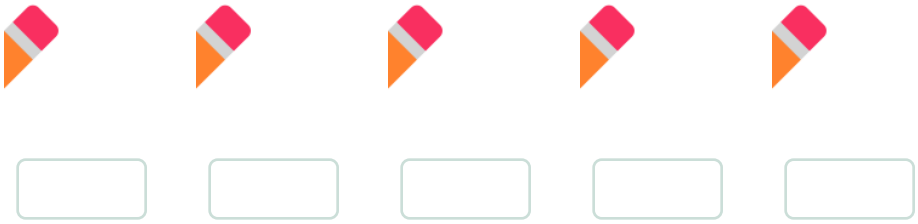

35 + 5 = ?

Start here

35

Already counted

\+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 30	( ) 39	( ) 40	( ) 41	( ) 50

[ ] I finished this question.

16. Count on with shells

Excite Work Bench F

There are 42 shells in our collection. We add the 3 shells shown below. Start at 42. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 42. Count on one for each new picture to add 3. The last number you say is the total for 42 + 3.

42 + 3 = ?

Start here

42

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 44	( ) 45	( ) 46	( ) 55	( ) 35

[ ] I finished this question.

17. Count on with flowers

Excite Work Bench F

There are 27 flowers in our garden. We add the 6 flowers shown below. Start at 27. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 27. Count on one for each new picture to add 6. The last number you say is the total for 27 + 6.

27 + 6 = ?

Start here

27

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 33	( ) 34	( ) 43	( ) 23	( ) 32

[ ] I finished this question.

18. Count on with toy bears

Excite Work Bench F

There are 38 toy bears on the shelf. We add the 7 toy bears shown below. Start at 38. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 38. Count on one for each new picture to add 7. The last number you say is the total for 38 + 7.

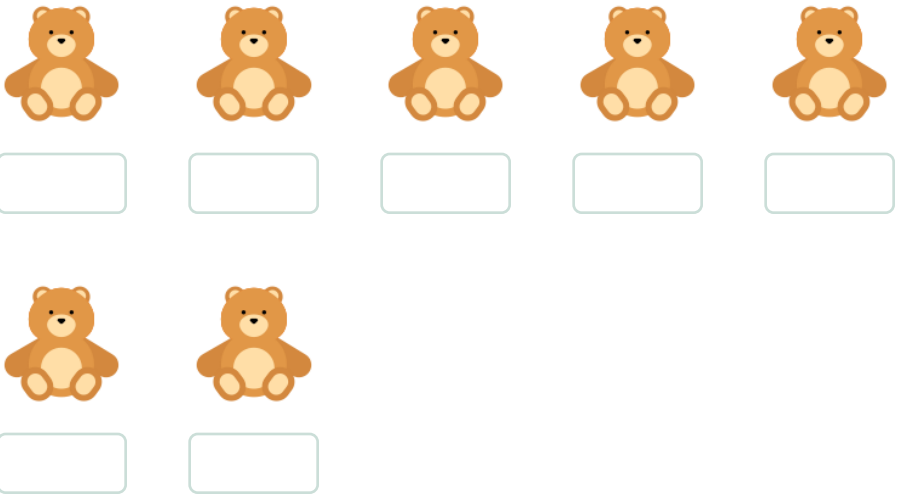

38 + 7 = ?

Start here

38

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 46	( ) 55	( ) 35	( ) 44	( ) 45

[ ] I finished this question.

19. Count on with crayons

Excite Work Bench F

There are 46 crayons in the box. We add the 4 crayons shown below. Start at 46. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 46. Count on one for each new picture to add 4. The last number you say is the total for 46 + 4.

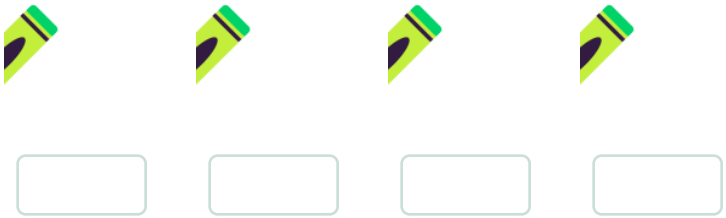

46 + 4 = ?

Start here

46

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 60	( ) 40	( ) 49	( ) 50	( ) 51

[ ] I finished this question.

20. Count on with buttons

Excite Work Bench F

There are 41 buttons in our collection. We add the 8 buttons shown below. Start at 41. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 41. Count on one for each new picture to add 8. The last number you say is the total for 41 + 8.

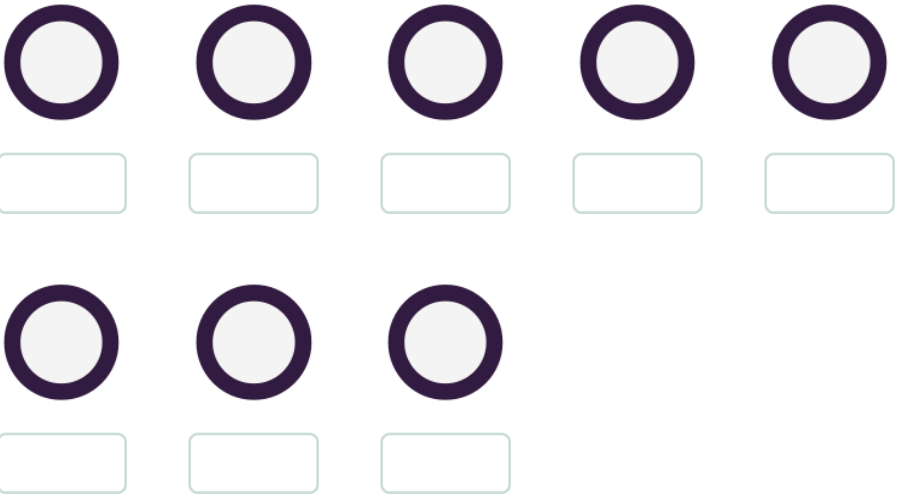

41 + 8 = ?

Start here

41

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 39	( ) 48	( ) 49	( ) 50	( ) 59

[ ] I finished this question.

21. Count on with toy cars

Excite Work Bench F

There are 57 toy cars on the shelf. We add the 4 toy cars shown below. Start at 57. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 57. Count on one for each new picture to add 4. The last number you say is the total for 57 + 4.

57 + 4 = ?

Start here

57

Already counted

\+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 60	( ) 61	( ) 62	( ) 71	( ) 51

[ ] I finished this question.

22. Count on with books

Excite Work Bench F

There are 68 books in our library. We add the 5 books shown below. Start at 68. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 68. Count on one for each new picture to add 5. The last number you say is the total for 68 + 5.

68 + 5 = ?

Start here

68

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 73	( ) 74	( ) 83	( ) 63	( ) 72

[ ] I finished this question.

23. Count on with stickers

Excite Work Bench F

There are 73 stickers in our collection. We add the 6 stickers shown below. Start at 73. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 73. Count on one for each new picture to add 6. The last number you say is the total for 73 + 6.

73 + 6 = ?

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 80	( ) 89	( ) 69	( ) 78	( ) 79

[ ] I finished this question.

24. Count on with blocks

Excite Work Bench F

There are 49 blocks in the tub. We add the 8 blocks shown below. Start at 49. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.4 - Start at 49. Count on one for each new picture to add 8. The last number you say is the total for 49 + 8.

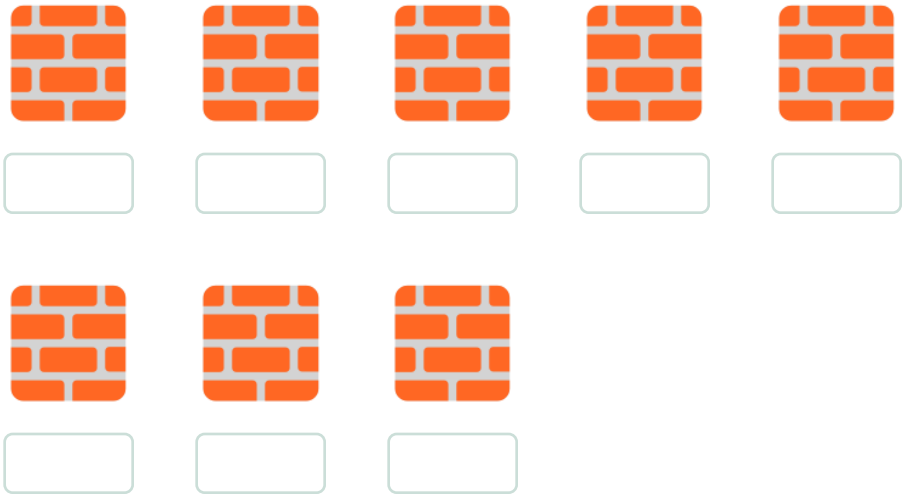

49 + 8 = ?

Start here

49

Already counted

+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

Excite Work Bench F · Answer guide

1. Count on with toy cars

15 + 2 = 17. Keep 15 as the starting amount. Tap the 2 pictures once each, counting 16, 17. The last count is the total.

B2.4: Start at 15. Count on one for each new picture to add 2. The last number you say is the total for 15 + 2.

2. Count on with books

12 + 3 = 15. Keep 12 as the starting amount. Tap the 3 pictures once each, counting 13, 14, 15. The last count is the total.

B2.4: Start at 12. Count on one for each new picture to add 3. The last number you say is the total for 12 + 3.

3. Count on with stickers

10 + 8 = 18. Keep 10 as the starting amount. Tap the 8 pictures once each, counting 11, 12, 13, 14, 15, 16, 17, 18. The last count is the total.

B2.4: Start at 10. Count on one for each new picture to add 8. The last number you say is the total for 10 + 8.

4. Count on with blocks

7 + 4 = 11. Keep 7 as the starting amount. Tap the 4 pictures once each, counting 8, 9, 10, 11. The last count is the total.

B2.4: Start at 7. Count on one for each new picture to add 4. The last number you say is the total for 7 + 4.

5. Count on with pencils

11 + 3 = 14. Keep 11 as the starting amount. Tap the 3 pictures once each, counting 12, 13, 14. The last count is the total.

B2.4: Start at 11. Count on one for each new picture to add 3. The last number you say is the total for 11 + 3.

6. Count on with shells

9 + 5 = 14. Keep 9 as the starting amount. Tap the 5 pictures once each, counting 10, 11, 12, 13, 14. The last count is the total.

B2.4: Start at 9. Count on one for each new picture to add 5. The last number you say is the total for 9 + 5.

7. Count on with flowers

14 + 4 = 18. Keep 14 as the starting amount. Tap the 4 pictures once each, counting 15, 16, 17, 18. The last count is the total.

B2.4: Start at 14. Count on one for each new picture to add 4. The last number you say is the total for 14 + 4.

8. Count on with toy bears

8 + 6 = 14. Keep 8 as the starting amount. Tap the 6 pictures once each, counting 9, 10, 11, 12, 13, 14. The last count is the total.

B2.4: Start at 8. Count on one for each new picture to add 6. The last number you say is the total for 8 + 6.

9. Count on with crayons

16 + 3 = 19. Keep 16 as the starting amount. Tap the 3 pictures once each, counting 17, 18, 19. The last count is the total.

B2.4: Start at 16. Count on one for each new picture to add 3. The last number you say is the total for 16 + 3.

10. Count on with buttons

13 + 7 = 20. Keep 13 as the starting amount. Tap the 7 pictures once each, counting 14, 15, 16, 17, 18, 19, 20. The last count is the total.

B2.4: Start at 13. Count on one for each new picture to add 7. The last number you say is the total for 13 + 7.

11. Count on with toy cars

24 + 3 = 27. Keep 24 as the starting amount. Tap the 3 pictures once each, counting 25, 26, 27. The last count is the total.

B2.4: Start at 24. Count on one for each new picture to add 3. The last number you say is the total for 24 + 3.

12. Count on with books

28 + 5 = 33. Keep 28 as the starting amount. Tap the 5 pictures once each, counting 29, 30, 31, 32, 33. The last count is the total.

B2.4: Start at 28. Count on one for each new picture to add 5. The last number you say is the total for 28 + 5.

13. Count on with stickers

32 + 4 = 36. Keep 32 as the starting amount. Tap the 4 pictures once each, counting 33, 34, 35, 36. The last count is the total.

B2.4: Start at 32. Count on one for each new picture to add 4. The last number you say is the total for 32 + 4.

14. Count on with blocks

19 + 6 = 25. Keep 19 as the starting amount. Tap the 6 pictures once each, counting 20, 21, 22, 23, 24, 25. The last count is the total.

B2.4: Start at 19. Count on one for each new picture to add 6. The last number you say is the total for 19 + 6.

15. Count on with pencils

35 + 5 = 40. Keep 35 as the starting amount. Tap the 5 pictures once each, counting 36, 37, 38, 39, 40. The last count is the total.

B2.4: Start at 35. Count on one for each new picture to add 5. The last number you say is the total for 35 + 5.

16. Count on with shells

42 + 3 = 45. Keep 42 as the starting amount. Tap the 3 pictures once each, counting 43, 44, 45. The last count is the total.

B2.4: Start at 42. Count on one for each new picture to add 3. The last number you say is the total for 42 + 3.

17. Count on with flowers

27 + 6 = 33. Keep 27 as the starting amount. Tap the 6 pictures once each, counting 28, 29, 30, 31, 32, 33. The last count is the total.

B2.4: Start at 27. Count on one for each new picture to add 6. The last number you say is the total for 27 + 6.

18. Count on with toy bears

38 + 7 = 45. Keep 38 as the starting amount. Tap the 7 pictures once each, counting 39, 40, 41, 42, 43, 44, 45. The last count is the total.

B2.4: Start at 38. Count on one for each new picture to add 7. The last number you say is the total for 38 + 7.

19. Count on with crayons

46 + 4 = 50. Keep 46 as the starting amount. Tap the 4 pictures once each, counting 47, 48, 49, 50. The last count is the total.

B2.4: Start at 46. Count on one for each new picture to add 4. The last number you say is the total for 46 + 4.

20. Count on with buttons

41 + 8 = 49. Keep 41 as the starting amount. Tap the 8 pictures once each, counting 42, 43, 44, 45, 46, 47, 48, 49. The last count is the total.

B2.4: Start at 41. Count on one for each new picture to add 8. The last number you say is the total for 41 + 8.

21. Count on with toy cars

57 + 4 = 61. Keep 57 as the starting amount. Tap the 4 pictures once each, counting 58, 59, 60, 61. The last count is the total.

B2.4: Start at 57. Count on one for each new picture to add 4. The last number you say is the total for 57 + 4.

22. Count on with books

68 + 5 = 73. Keep 68 as the starting amount. Tap the 5 pictures once each, counting 69, 70, 71, 72, 73. The last count is the total.

B2.4: Start at 68. Count on one for each new picture to add 5. The last number you say is the total for 68 + 5.

23. Count on with stickers

73 + 6 = 79. Keep 73 as the starting amount. Tap the 6 pictures once each, counting 74, 75, 76, 77, 78, 79. The last count is the total.

B2.4: Start at 73. Count on one for each new picture to add 6. The last number you say is the total for 73 + 6.

24. Count on with blocks

49 + 8 = 57. Keep 49 as the starting amount. Tap the 8 pictures once each, counting 50, 51, 52, 53, 54, 55, 56, 57. The last count is the total.

B2.4: Start at 49. Count on one for each new picture to add 8. The last number you say is the total for 49 + 8.

25. Count on with pencils

84 + 5 = 89. Keep 84 as the starting amount. Tap the 5 pictures once each, counting 85, 86, 87, 88, 89. The last count is the total.

B2.4: Start at 84. Count on one for each new picture to add 5. The last number you say is the total for 84 + 5.

26. Count on with shells

62 + 9 = 71. Keep 62 as the starting amount. Tap the 9 pictures once each, counting 63, 64, 65, 66, 67, 68, 69, 70, 71. The last count is the total.

B2.4: Start at 62. Count on one for each new picture to add 9. The last number you say is the total for 62 + 9.

27. Count on with flowers

77 + 7 = 84. Keep 77 as the starting amount. Tap the 7 pictures once each, counting 78, 79, 80, 81, 82, 83, 84. The last count is the total.

B2.4: Start at 77. Count on one for each new picture to add 7. The last number you say is the total for 77 + 7.

28. Count on with toy bears

88 + 6 = 94. Keep 88 as the starting amount. Tap the 6 pictures once each, counting 89, 90, 91, 92, 93, 94. The last count is the total.

B2.4: Start at 88. Count on one for each new picture to add 6. The last number you say is the total for 88 + 6.

29. Count on with crayons

89 + 8 = 97. Keep 89 as the starting amount. Tap the 8 pictures once each, counting 90, 91, 92, 93, 94, 95, 96, 97. The last count is the total.

B2.4: Start at 89. Count on one for each new picture to add 8. The last number you say is the total for 89 + 8.

30. Count on with buttons

90 + 10 = 100. Keep 90 as the starting amount. Tap the 10 pictures once each, counting 91, 92, 93, 94, 95, 96, 97, 98, 99, 100. The last count is the total.

B2.4: Start at 90. Count on one for each new picture to add 10. The last number you say is the total for 90 + 10.

Inspire Work Bench F

30 counting-on adventures · Grade 3

Keep the big starting number in mind. Touch each new picture and say the next number. The last number you say is the total. A grown-up can read with you.

Name: _____

Online, tap the pictures in order and choose one of five answers. On paper, point to each picture, write the next count in its box, and circle your total.

1. Count on with toy cars

Inspire Work Bench F

There are 135 toy cars on the shelf. We add the 4 toy cars shown below. Start at 135. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.5 - Start at 135. Count on one for each new picture to add 4. The last number you say is the total for 135 + 4.

135 + 4 = ?

Start here

135

Already counted

\+

Point to each picture. Write the next count in its box.

How many now? Circle your total:

( ) 138	( ) 139	( ) 140	( ) 149	( ) 129

[ ] I finished this question.

2. Count on with books

Inspire Work Bench F

There are 127 books in our library. We add the 6 books shown below. Start at 127. Point to each picture and say the next number. How many are there now?

Ontario Math: B2.5 - Start at 127. Count on one for each new picture to add 6. The last number you say is the total for 127 + 6.

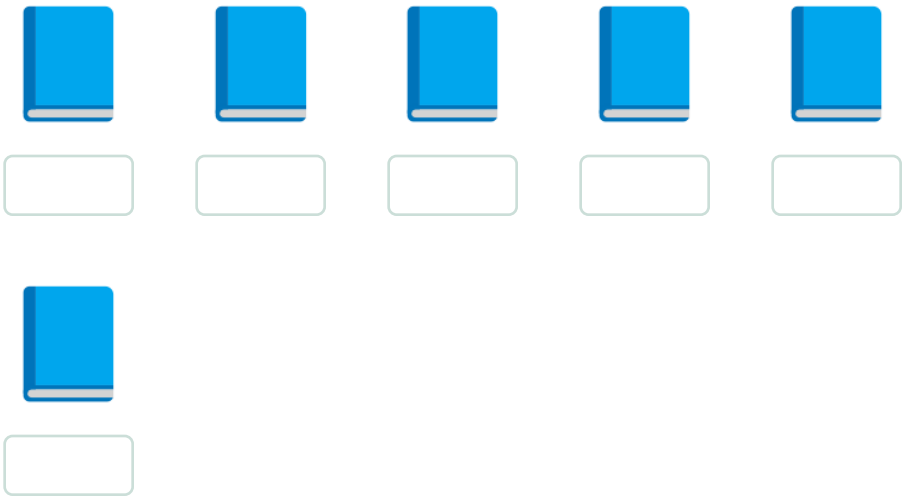

127 + 6 = ?

Start here

127

Inspire Work Bench F · Answer guide

1. Count on with toy cars

135 + 4 = 139. Keep 135 as the starting amount. Tap the 4 pictures once each, counting 136, 137, 138, 139. The last count is the total.

B2.5: Start at 135. Count on one for each new picture to add 4. The last number you say is the total for 135 + 4.

2. Count on with books

127 + 6 = 133. Keep 127 as the starting amount. Tap the 6 pictures once each, counting 128, 129, 130, 131, 132, 133. The last count is the total.

B2.5: Start at 127. Count on one for each new picture to add 6. The last number you say is the total for 127 + 6.

3. Count on with stickers

148 + 5 = 153. Keep 148 as the starting amount. Tap the 5 pictures once each, counting 149, 150, 151, 152, 153. The last count is the total.

B2.5: Start at 148. Count on one for each new picture to add 5. The last number you say is the total for 148 + 5.

4. Count on with blocks

196 + 7 = 203. Keep 196 as the starting amount. Tap the 7 pictures once each, counting 197, 198, 199, 200, 201, 202, 203. The last count is the total.

B2.5: Start at 196. Count on one for each new picture to add 7. The last number you say is the total for 196 + 7.

5. Count on with pencils

218 + 4 = 222. Keep 218 as the starting amount. Tap the 4 pictures once each, counting 219, 220, 221, 222. The last count is the total.

B2.5: Start at 218. Count on one for each new picture to add 4. The last number you say is the total for 218 + 4.

6. Count on with shells

249 + 8 = 257. Keep 249 as the starting amount. Tap the 8 pictures once each, counting 250, 251, 252, 253, 254, 255, 256, 257. The last count is the total.

B2.5: Start at 249. Count on one for each new picture to add 8. The last number you say is the total for 249 + 8.

7. Count on with flowers

276 + 6 = 282. Keep 276 as the starting amount. Tap the 6 pictures once each, counting 277, 278, 279, 280, 281, 282. The last count is the total.

B2.5: Start at 276. Count on one for each new picture to add 6. The last number you say is the total for 276 + 6.

8. Count on with toy bears

298 + 5 = 303. Keep 298 as the starting amount. Tap the 5 pictures once each, counting 299, 300, 301, 302, 303. The last count is the total.

B2.5: Start at 298. Count on one for each new picture to add 5. The last number you say is the total for 298 + 5.

9. Count on with crayons

317 + 7 = 324. Keep 317 as the starting amount. Tap the 7 pictures once each, counting 318, 319, 320, 321, 322, 323, 324. The last count is the total.

B2.5: Start at 317. Count on one for each new picture to add 7. The last number you say is the total for 317 + 7.

10. Count on with buttons

386 + 9 = 395. Keep 386 as the starting amount. Tap the 9 pictures once each, counting 387, 388, 389, 390, 391, 392, 393, 394, 395. The last count is the total.

B2.5: Start at 386. Count on one for each new picture to add 9. The last number you say is the total for 386 + 9.

11. Count on with toy cars

438 + 5 = 443. Keep 438 as the starting amount. Tap the 5 pictures once each, counting 439, 440, 441, 442, 443. The last count is the total.

B2.5: Start at 438. Count on one for each new picture to add 5. The last number you say is the total for 438 + 5.

12. Count on with books

459 + 7 = 466. Keep 459 as the starting amount. Tap the 7 pictures once each, counting 460, 461, 462, 463, 464, 465, 466. The last count is the total.

B2.5: Start at 459. Count on one for each new picture to add 7. The last number you say is the total for 459 + 7.

13. Count on with stickers

487 + 8 = 495. Keep 487 as the starting amount. Tap the 8 pictures once each, counting 488, 489, 490, 491, 492, 493, 494, 495. The last count is the total.

B2.5: Start at 487. Count on one for each new picture to add 8. The last number you say is the total for 487 + 8.

14. Count on with blocks

526 + 6 = 532. Keep 526 as the starting amount. Tap the 6 pictures once each, counting 527, 528, 529, 530, 531, 532. The last count is the total.

B2.5: Start at 526. Count on one for each new picture to add 6. The last number you say is the total for 526 + 6.

15. Count on with pencils

568 + 4 = 572. Keep 568 as the starting amount. Tap the 4 pictures once each, counting 569, 570, 571, 572. The last count is the total.

B2.5: Start at 568. Count on one for each new picture to add 4. The last number you say is the total for 568 + 4.

16. Count on with shells

589 + 9 = 598. Keep 589 as the starting amount. Tap the 9 pictures once each, counting 590, 591, 592, 593, 594, 595, 596, 597, 598. The last count is the total.

B2.5: Start at 589. Count on one for each new picture to add 9. The last number you say is the total for 589 + 9.

17. Count on with flowers

627 + 7 = 634. Keep 627 as the starting amount. Tap the 7 pictures once each, counting 628, 629, 630, 631, 632, 633, 634. The last count is the total.

B2.5: Start at 627. Count on one for each new picture to add 7. The last number you say is the total for 627 + 7.

18. Count on with toy bears

648 + 6 = 654. Keep 648 as the starting amount. Tap the 6 pictures once each, counting 649, 650, 651, 652, 653, 654. The last count is the total.

B2.5: Start at 648. Count on one for each new picture to add 6. The last number you say is the total for 648 + 6.

19. Count on with crayons

679 + 8 = 687. Keep 679 as the starting amount. Tap the 8 pictures once each, counting 680, 681, 682, 683, 684, 685, 686, 687. The last count is the total.

B2.5: Start at 679. Count on one for each new picture to add 8. The last number you say is the total for 679 + 8.

20. Count on with buttons

690 + 10 = 700. Keep 690 as the starting amount. Tap the 10 pictures once each, counting 691, 692, 693, 694, 695, 696, 697, 698, 699, 700. The last count is the total.

B2.5: Start at 690. Count on one for each new picture to add 10. The last number you say is the total for 690 + 10.

21. Count on with toy cars

728 + 5 = 733. Keep 728 as the starting amount. Tap the 5 pictures once each, counting 729, 730, 731, 732, 733. The last count is the total.

B2.5: Start at 728. Count on one for each new picture to add 5. The last number you say is the total for 728 + 5.

22. Count on with books

749 + 6 = 755. Keep 749 as the starting amount. Tap the 6 pictures once each, counting 750, 751, 752, 753, 754, 755. The last count is the total.

B2.5: Start at 749. Count on one for each new picture to add 6. The last number you say is the total for 749 + 6.

23. Count on with stickers

786 + 8 = 794. Keep 786 as the starting amount. Tap the 8 pictures once each, counting 787, 788, 789, 790, 791, 792, 793, 794. The last count is the total.

B2.5: Start at 786. Count on one for each new picture to add 8. The last number you say is the total for 786 + 8.

24. Count on with blocks

798 + 7 = 805. Keep 798 as the starting amount. Tap the 7 pictures once each, counting 799, 800, 801, 802, 803, 804, 805. The last count is the total.

B2.5: Start at 798. Count on one for each new picture to add 7. The last number you say is the total for 798 + 7.

25. Count on with pencils

849 + 9 = 858. Keep 849 as the starting amount. Tap the 9 pictures once each, counting 850, 851, 852, 853, 854, 855, 856, 857, 858. The last count is the total.

B2.5: Start at 849. Count on one for each new picture to add 9. The last number you say is the total for 849 + 9.

26. Count on with shells

876 + 6 = 882. Keep 876 as the starting amount. Tap the 6 pictures once each, counting 877, 878, 879, 880, 881, 882. The last count is the total.

B2.5: Start at 876. Count on one for each new picture to add 6. The last number you say is the total for 876 + 6.

27. Count on with flowers

889 + 8 = 897. Keep 889 as the starting amount. Tap the 8 pictures once each, counting 890, 891, 892, 893, 894, 895, 896, 897. The last count is the total.

B2.5: Start at 889. Count on one for each new picture to add 8. The last number you say is the total for 889 + 8.

28. Count on with toy bears

947 + 7 = 954. Keep 947 as the starting amount. Tap the 7 pictures once each, counting 948, 949, 950, 951, 952, 953, 954. The last count is the total.

B2.5: Start at 947. Count on one for each new picture to add 7. The last number you say is the total for 947 + 7.

29. Count on with crayons

986 + 9 = 995. Keep 986 as the starting amount. Tap the 9 pictures once each, counting 987, 988, 989, 990, 991, 992, 993, 994, 995. The last count is the total.

B2.5: Start at 986. Count on one for each new picture to add 9. The last number you say is the total for 986 + 9.

30. Count on with buttons

990 + 10 = 1000. Keep 990 as the starting amount. Tap the 10 pictures once each, counting 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000. The last count is the total.

B2.5: Start at 990. Count on one for each new picture to add 10. The last number you say is the total for 990 + 10.
